## Boy, can we cook!

### *Our Kitchen Project Update*

Requests went out to numerous Camp Ne-O-Tez supporters the last week in October, **hoping to help raise around \$7,000** so we could replace a very worn-out oven and dishwasher. Both of these items are probably 40+ years old.

We started this effort knowing it was a tough time to be asking for donations because of the general economy but also knowing that **God is good** and would richly bless the efforts to keep Camp Ne-O-Tez a wonderful place for our kids for generations to come...and WOW! He blessed it beyond our expectations! **To date you have given \$12,775 !!!**

As indicated in our original request, we will use the extra funds to purchase other items needed in the kitchen, i.e. a replacement steam table used to serve the

prepared food and possibly replace our ice machine!

**Thank you for your unbelievable generosity! We'll have a final update with pictures at the annual dinner!**

### 2010 Annual Camp Rally Dinner Friday, March 26, 2010

**Theme: See What's Cooking at Camp!**  
**Location: Holman Middle School**  
**11055 St. Charles Rock Rd.**

Come hear about the exciting things happening at Ne-O-Tez and share with others the benefits of Christian Summer Camp.

We will have a silent auction and fellowship time prior to the dinner. If you have an item or a themed basket you would like to donate, contact Nancy Henley at 314.739.2802 or nanhenley@aol.com. Tickets will be available from board members beginning in February. Childcare will be provided.

### Want to be a be a Camp Ne-O-Tez Board Member?

We would like to see every church of Christ in the area have at least one representative on the camp board. We meet the 2nd Monday of the month at 6:30 P.M.

We are also looking for individuals who may to be able to serve on the board but who would be willing to act as "the voice" of Ne-O-Tez at their congregation.

Contact Ed Tritschler at 314.846.9684 or agfa3527@aol.com for more information.

### We're Growing - Expanding our Borders

In 2003, we took advantage of an opportunity to purchase an additional 10 acres of wooded property along a section of Camp's southeast boundary. This land provided us with a protective "buffer" behind the Stone Castle, Pine Lodge and crafts pavilion.

We have a similar opportunity to purchase acreage on Camp's southeast property line. In February, we hope to acquire at least 10, but possibly 20, acres of land, depending on the availability of funds. This will adjoin the land acquired in 2003 and extend from Cabins 1 and 3 all the way to Inspiration Point at the Big River. This land will provide additional "buffer" protection from any future commercial or residential development.

If you would like more information about this opportunity or would like to contribute toward the purchase of this land, you can contact our Board President, Edward Tritschler, or any current Board member.
